## PERSONAL STATEMENT

I'm a director, producer, and editor working in the branded content, marketing, and political spaces. In addition to this work, I also produce projects through my production company All The Way Around. These include award winning short films and documentaries as well as feature length projects. I have a robust personal camera and post production package that enables me to quickly and efficiently execute high quality videos. I'm currently looking for project based work with branded content studios, publishers, and brands.
